

President's Message

I hope you are enjoying the lazy, hazy, crazy days of summer. (I stole that from Nat King Cole- 1963) July 4th ranks up there with Christmas and Thanksgiving as a special holiday. I hope you have the opportunity to attend a special event commemorating the colonies declaring their independence 242 years ago on that July 4th, 1776. Did you know three U.S. President's died on 4th of July?

The primary election is a few weeks away and we are all volunteering at picnics, parties and in campaign offices. Our goal is to reach people, interest them, enthuse them, and encourage them to work for our Party and vote for our candidates. In other words, we all must be part cheer leader, part teacher, part volunteer.

The criteria for calculating your volunteer hours are on the Website. Please keep track of your hours. There are so many opportunities to volunteer, but take time and enjoy being with others that share your passion for our Missouri campaign activities. Please remember as individuals we can work for our special candidates but when representing the MoFRW we must show equal respect and non-commitment to all.

Thank you for all the work you do for our Country, State and the MoFRW.

The three Presidents that died on July 4th were: On July 4th, 1826 Thomas Jefferson and John Adams died on the 50th anniversary of the Declaration of Independence and on July 4th, 1831 James Monroe died of heart failure and tuberculosis in New York. And now you know the rest of the story!

I hope to see you soon!

Informed and United for Victory
