Re: Joanne Breckenridge Scholar Program - 2019

One scholar may be selected from each MoFRW Club as a Joanne Breckenridge Scholar to represent the Club for the upcoming year. The young lady selected will represent the Club at the annual Joanne Breckenridge Scholar Day at the Missouri Capitol tentatively set for March 12, 2019 in conjunction with MoFRW Legislative Day. The scholar must be a high school junior or senior. The date will be confirmed when letters of congratulation are sent to the scholars.

MoFRW Past President Joanne Breckenridge was dedicated to involving young women in government. She began this program over 20 years ago as a way to introduce them to our state government. The MoFRW continues to honor her by holding Joanne Breckenridge Scholar Day annually.

The scholars selected will be honored at the Capitol and will participate in a variety of fun and interesting activities throughout the day on MoFRW Legislative/Joanne Breckenridge Scholar Day. They will observe how our state government works as well as tour our government buildings, meet with elected officials, plus more.

Following selection of your honoree, the Club President should complete the registration form for the scholar and send it along with a photo to Lana Crain, Joanne Breckenridge Scholar Chairperson. Please do not use a professional photographer's photo unless you have a release as they cannot be reprinted because of copyright laws. The club sponsoring the scholar is responsible for the scholar's expenses for the day, arranging transportation to and from the Capitol or escorting the Scholar, and for obtaining written parental permission. (parental permission forms will be mailed later)

Please mail your registration form, photo, and check in the amount of \$25.00 to:

A letter of congratulations and additional information will be sent to the recipients in early February.

Thank you for your help in selecting a scholar and helping MoFRW achieve its goal of educating and inspiring young women to become future leaders.

Best Regards,
