

November 2018 President's message

November 6th is Election Day

Our MoFRW members have given hours and hours of their time to give Missouri a better government. At the time I write this message I do not know the outcome of our hard work. I am confident on November 6th we will make history once again in Missouri. We have presented our message and now we need to get out the vote.

- Please keep track of your volunteer hours

November 11th is Veterans Day "All Gave Some, Some Gave All"

Originally called Armistice Day the first Veteran's day was on November 11, 1919 the first anniversary of the end of World War I. In 1954 President Eisenhower changed the name to Veteran's day and today we pay tribute to both our living and deceased veterans. Say thank you to a veteran whenever you meet them. Take time to pray for our active service members and their families and for those that have served.

November 22 is Thanksgiving

It is a time to count our blessing, enjoy our families and remember those that are no longer with us. The first Thanksgiving was not as picturesque as our greeting cards would have us believe. They were a small group of brave men and women that lived day to day with the faith and hope of a better tomorrow. I wish each of you and your family a Blessed and Happy Thanksgiving.

Mark your calendars
