

Official Call
Show-Me Conference/Board of Directors Meeting
Saturday, January 19, 2019
Courtyard Marriott 3301 Lemone Industrial Blvd, Columbia, MO 65201

Happy 2019 from the Executive Committee of Missouri Federation of Republican Women. We had a very exciting 2018 and made history by electing Josh Hawley our U.S. Senator. It's time to make more history in 2019 for the MoFRW as we strengthen the MoFRW and keep our winning momentum.

All members of the MoFRW are encouraged to attend the Show-Me Conference/Board of Directors Meeting. We know you will benefit from the opportunity to hear from other Republican ladies, like yourselves that are working to make the Missouri Federation of Republican Women a vital organization. Please have your reservations made **NO later than January 7th, 2019**. I'm hoping it will not snow on January 19th but in case but in case it does the Board of Directors meeting will be on January 26th. If we need to cancel the decision will be made on January 18th. Cancellation will be announced via email and on Facebook. Please check before you leave home. Bring your calendars because we have many events you will not want to miss.

We ask that each club provide a silent auction item for the meeting.

We will also be celebrating the 80th Anniversary of the Missouri Federation of Republican Women.

Guest Speakers:

Carrie Almond, Immediate Past President of the NFRW, will have a presentation on membership retention and ideas of how to increase our membership for the future.

Colonel Jack Jackson, USMCR Retired will be our luncheon speaker and will have his book "Way Beyond the Blue" available for purchase and will personally autograph a copies.

Past President's Day at the Board of Directors Meeting, all of our past MoFRW Presidents have been invited to participate in a "Past Presidents Roundtable". This is the first time we have had a Past Presidents Roundtable and I'm sure we will enjoy hearing of their experiences during their terms in office and how many things have changed since they served as President. We can learn so much about our history from these very knowledgeable ladies.

Regards,
Janice Perdue De Weese
MoFRW President
