

I am looking forward to 2019 and January is chapter one of twelve. I never make New Year's resolution but I set goals. Resolutions are like wishes without a plan! Goals are things I plan on achieving. I only set ten personal goals a year and some of the ten remain on the list each year because they are very important to me but others change as the years change.

The MoFRW is looking forward to a very active 2019 and achieving many goals. We have our Military project (Little Patriots Embraced), Caring for America (Just for you) bags, Buy MO and other important projects where we can make a difference. We can start our New Year by attending the Show-Me-Conference and Board of Directors meeting on January 19, in Columbia Missouri. It will be a busy and exciting day for all our members with a few surprise announcements. I encourage all our members to attend and clubs and districts to bring an item or two for the silent auction table and be prepared to shop! See you on January 19th!

I wish you and your family health and happiness throughout 2019.
Happy New Year everyone!
