

April President's Message

Thank you for participating in Legislative Day; it was another very special day for the MoFRW. Thanks to all the hours of hard work by Verna Jenkins and Debbie Phillips for making sure every detail was special and we had outstanding speakers and special tours in the Capitol. Lana Crain made the Breckenridge Scholar's day a very memorable day and I enjoyed meeting these very intelligent, beautiful and fun young ladies.

"The Call" for the 2019 MoFRW Convention in Springfield has been mailed and the forms will be on the website. Please make sure you register and complete all the forms.

The District meetings are scheduled and I know you will have very productive meetings. If you haven't already selected a member and alternate for the nominating committee please do so and email me the names. Make sure you take pictures of your meetings and email them to our PR Chair Angie Stiffler at anstiffler@yahoo.com.

The Women of Tribute forms will be on the website in June and I know Lana Crane will have additional information at the convention. So be thinking about a special lady your club would like to honor for her dedication and contribution to your club .

2019 MoFRW Achievement Awards are due May 1st. The forms are on the MoFRW.org website and must be to Kathy Drake on or before May 1st. Forms will not be accepted after May 1st. Kathy Drake, 744 E. 450th Rd., Bolivar, MO 65613 – kaeidr@yahoo.com.

Make sure all your membership dues have been paid and sent to Membership Secretary Pat Lehman, 2903 SW Scherer Rd., Lee's Summit, MO 64082.

We will be remembering our members that have gone to their heavenly reward during our Sunday Morning Memorial service at the convention. Please email our Chaplain Kristi Nichols with names, dates and a remembrance you would like for everyone to know and would like to have read.

I hope to see you soon!
