

President's May Message

May is a beautiful time of year in Missouri and as I have traveled the state it is sometimes difficult to keep my eyes on the road and not on the spectacular countryside. I am reminded that nature is just one of the many gifts from God.

I have had the pleasure of attending some district meeting around the state and it is always a wonderful time for me. I have enjoyed hearing about all the accomplishments, community activities and the important work our clubs do during the year. I want to thank 1st. Vice President Barbara Smith and 2nd Vice President Lana Crane for attending the district meetings I was unable to attend.

It is hard to believe our convention is next month and the members of 7th District have been working tirelessly to make it another great convention. We have great speakers, workshops and FUN scheduled that I know everyone will enjoy. The convention is always a time to see friends from around the state, hear the club's accomplishments and challenges.

Deadline Reminders:

May 15th is the last day for the Early Bird cost saving Convention package

May 19th is the last day the Convention Credential forms will be accepted

May 19th is the last day for membership dues will be accepted before the convention

May 25th is the last day to apply for the NFRW Convention Registration Scholarship

May 30th is the last day to email your district nominating member's names to me

It is always exciting to look forward to our convention!

Jan De Weese, President
