

August President's message,

The lazy, crazy days of summer are upon us and we can be anything but lazy. We are all busy with picnics, parades and local fairs that give us the opportunity to meet ladies and invite them to our meetings.

Our Women of Tribute luncheon is always a wonderful event and we will be honoring those special hard working ladies from each club. As you read the achievements of these talented and dedicated women you will realize what makes our organization is so great.

Congratulations to all our Women of Tribute! We will also be honoring Angie Stiffler our MoFRW State Woman of Tribute. Angie's many years of commitment and faithful service make her so deserving of this honor. Congratulations Angie and thank you for your commitment to the Missouri Federation of Republican Women.

The Pie Challenge: Just a reminder that I challenged our clubs and members to enter the First Lady's pie contest at the Missouri State Fair on August 15th. This is a nice way for us to show our First Lady Teresa Parson how much we appreciate her. Please check the fair website for instructions.

"The Call" for the National Federation of Republican Women's convention has been on our Facebook page and on NFRW.org. I hope you will consider attending the convention in Indianapolis, Indiana. Networking with like-minded republican women from all fifty states gives us the opportunity to make new friends and share ideas as the 2020 election approaches.

I look forward to seeing you on August 3rd in Columbia and at the MO State Fair!

Jan De Weese
