

## KRISTI NICHOLS MOFRW PHOTOGRAPHER

Happy New Year Ladies! I am blessed to be returning to be the MOFRW Photographer for the next 2 years. I enjoy capturing all our activities and special moments for our group. I take pictures for the Show Me Conference, Legislative Days, MOFRW State Conventions and more! Sometimes you will see me climbing chairs or rearranging banners in order to get the best shot. I take photos of our district and local club groups at events so you can bring them back to your clubs.

The saying “a picture is worth 1000 words” is so true. Albums usually are posted the day or next after events. You never know who you might reach that is looking for “like minded” gals to join up with. I think capturing all our events in photos is a way to not only remember but to bring in new people who want to join with us. In this 2020 election year we will have bundles of photos to share and I am elated to be the “shutter queen” for all of you 😊
