I am pleased to announce the 2025 Call to Convention. This will be a time of celebration! 2024 was a year of intense work to **Fight for America** and get Republicans elected to office at all levels. Our victories are indeed something to celebrate. June 14th is Flag Day, which we will also be honoring. We have some wonderful speakers lined up. Julie Harris, the President of the National Federation of Republican Women will be our speaker during lunch. Speaking on our 2025 theme of being **REPUBLICAN GATEKEEPERS**, Darin Chappell, State Representative -137th, will talk to us about being gatekeepers for our great U.S. Constitution. Cassiopeia Fletcher of Moms for America will fill us in on the many goings-on around America for which we can celebrate.

Our celebration will continue on into the evening with our Golden Age Banquet Dinner. Since Donald J Trump's second term is ushering in the **Golden Age of America**, we will be celebrating his 79th birthday! Wear your GOLD ladies, as we will be taking a video and sending it to President Trump! Our speaker for the evening will be 7th District U.S. Congressman, Eric Burlison, who is a member of the Conservative Caucus, is all on board for Trump's agenda, and has some wonderful stories and news to share with us.

The 7th District is hosting our 2025 Convention, and the Century Club event on Friday evening, so be sure to join the Century Club and have some fun "**Getting your Kicks on Route 66!**" Your MoFRW Executive Committee will host a Hospitality Social after that, open to all members. **We look forward to celebrating with you in Springfield!**

Thank you from the MoFRW Executive Committee,
Georjene, Lisa, Ruth, Susan, Janet, Ellen, Sharon, Christine, and Fern
