2026 MoFRW State Convention

June 5 – June 6, 2026

The 2026 MoFRW State Convention will be proudly hosted by our 4th District at the **Adams Pointe Convention Center**. This year's convention will be especially meaningful as we celebrate **America's 250th Birthday** on Saturday, June 6.

Our 4th District clubs have worked tirelessly over the past year to create a memorable and inspiring event. Festivities will kick off on **Friday evening, June 5**, with the Century Club "LUAU," hosted by the 4th District clubs and open to Century Club members—so grab your grass skirts and get ready for some fun! Following the Luau, the Executive Committee will host the **MoFRW Hospitality Social**, open to *all* members.

We are excited to feature an outstanding lineup of speakers on Saturday, including:

- **Sherry Kuttenkuler**, MO Protects
- **Storm Dillenschneider**, Moms Against Fentanyl
- **Sheriff Chad Anderson**, Bates County
- **Senator Rick Brattin**, 31st District

Saturday evening, join us for our **banquet dinner** dressed in your **best patriotic attire** as we continue our **America 250** celebration. Our keynote speaker will be **J.J. Carrell**—renowned author of *Invaded: The Intentional Destruction of the American Immigration System* and former federal agent. Attendees will have the opportunity to purchase his book and documentaries at the banquet.

Attached you will find the **Official Call**, **Convention Schedule**, **Registration Forms** (for members and guests), **Convention Deadlines**, and a **Century Club Form**. The full Call to Convention packet, including **Delegate Credential Forms**, will be mailed to you next week via USPS.

Please share this information with all of your club members—everyone is invited!

Thank you from the MoFRW Executive Committee,
